**INNS'
BRUCK**

We offer counselling and raise
awareness of sexual violence.

OUR ASSOCIATION has offered women and girls specialised counselling services regarding sexual violence since 1982.

- WE HELP**
- women aged 14 and above who have been victims of sexual violence
 - family and friends of victims
 - individuals and organizations that raise awareness of sexual violence

OUR SERVICES INCLUDE **Counselling**

- psychosocial counselling
- legal information
- psychosocial and legal support for victims during criminal proceedings; accompanying victims to the police station or court; legal representation
- helping victims find further support

Counselling can take place in person, over the telephone or via email.

OUR SERVICES INCLUDE **Raising awareness**

- feminist self-defence classes
- short training programmes for individuals and organizations that raise awareness of sexual violence
- prevention workshops
- public awareness campaigns

COUNSELLING CAN HELP YOU

- deal with the experience of sexual violence in a confidential and protected environment
- establish a sense of stability and security inside and out
- learn more about sexual violence and the consequences
- identify resources and courses of action

ABOUT US

We are a group of women with expertise and training in the following areas: female consulting, education, law, social education, social work, psychotherapy.
